

560 Second Avenue,
Daytona Beach, Florida,
April 12, 1941.

Mrs. Abraham Manley,
101 Montgomery Street,
Newark, New Jersey.

Dear Mrs. Manley:

I do not have much to say about the two
reokies, because Mackey has not had enough time to
try them. He told me that after the game he would
have something to say. Stay in touch with Clarkson,
as he is not sure of Reddick.

Dr. Slack and I went to Orlando the other
night to see Posey. He is going to try to get the
park for a game there with the Charleston Club. We
also went to Sanford last night to see the Homestead
Grays and the Cubans play. The boys wanted to go and
Mackey asked me to take them over; we drove the bus
over there. The game was not so hot. The Grays won
12-6. The crowd was very poor. They only got \$18.00
each. I talked to Pompey. He will accept the game in
Norfolk on the 8th of May, and Richmond May 9th. Then,
he can make Philadelphia on Saturday May 10th.

I have just booked the Grays here on Easter
Monday. They were off so we decided that we would have
a game here. The time was late, but we will advertise
the game at the game Sunday; we also brought back some
placards from over there. We got the announcement of

the game over the Radio Station, and also on the screen at the Theater. We should have a good club if work will help to have it. Mackey certainly have been working these boys hard. Matthews and Arkard have not been so well; it was only a little cold and cough. I got them some medicine and they are doing alright.

I have not any date for the 27th. I am in touch with Tampa and I asked them for a game there on Saturday May 26th, if so, I would give them a return date here on the 27th. So if you have anything for this date, please let me know at once, so that I may close date.

I sent a statement for the trip down and one week rent for seven rooms. Did you receive it? Also these blanks that you wanted these boys to fill out. Today I am paying board for the past week, and room rent in advance for the seven rooms. Please let me know if you received these reports.

I guess this is about all, hoping that we will have a crowd tomorrow, as money is very low. Day arrived Wednesday. Hill did not report yet.

Yours very truly,

William White
Bill White

P. S.

Ask Mr. Manley what did he pay for meals last year. I think 30¢. They are charging 35¢ this year, which I think is a little high, but the meals are very good. All bills are

paid in full up to date. "Happy Easter". I will write you
after the game.
